# VIRTUAL CRYPTO

**Cryptocurrency Made Easy**

## Vision

**Develop and deploy user friendly cryptocurrency transaction solutions.**

Virtual Crypto's goal is to develop and deploy market-leader technologies that offer efficient, accurate, reliable and instantly validated cryptocurrency transactions.

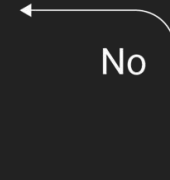

Virtual Crypto's solutions are based on unique algorithms and artificial intelligence technologies.

# Challenge 1

Traditional bitcoin transaction  
**can take up to 24 hours**  
and no less than 30 minutes  
until fully confirmed

Start

Initiate  
Transaction

At least 6  
confirmations

Closed on  
Blockchain

Transaction  
Completed

**20 Min  
to 24 Hours**

# Solution

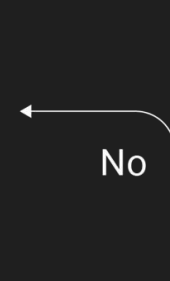

**Our validation algorithm** predicts - with very high accuracy - whether the bitcoin trade will be confirmed by the Bitcoin network.

Immediate validation of bitcoin transactions is highly significant in making bitcoin trade instant and pleasant.

Start

Initiate Transaction

Positive Prediction?

No

At least 6 confirmations

Yes

No

Transaction Completed

5 Min

Closed on Blockchain

## Challenge 2

Traditionally, cryptocurrency trade providers allow the customer to interact with **just ONE exchange agency**.

Customer is bound to the exchange rate offered by that agency only.

## Solution

Virtual Crypto allows the customer to work, simultaneously, with **SEVERAL CRYPTO EXCHANGES** for each and every transaction.

Customers enjoy the best crypto exchange rate available at the time of the transaction.

# Products

---

Cryptocurrency Exchange  
(Cryptocurrency ATM –  
hardware & software) with  
Embedded Currency Exchange  
Transaction Validation  
(CETV).

---

Over-the-Counter  
Cryptocurrency Transaction  
Solution (Mobile).

---

Online Crypto Currency  
transactions at eCommerce  
& gaming portals.

# Advantages

---

Best Exchange Rate at any Crypto-Fiat exchange transaction.

---

Instant validation and confirmation of transactions.

---

Back Office module for real time multi transaction monitoring.

---

Allows businesses to support crypto transactions (millions of businesses worldwide).

# The Market

---

**Small and Medium  
Businesses**  
(coffee shops, restaurants, stores)

---

**Enterprises**  
(Airlines , Cruise, etc')

---

**Government**

---

**Payment gateways**

---

**Online business**

---

**Casinos**

# Leadership

**Alon Dayan**  
CEO

---
